The Welsh Colleges' Society of Change Ringers has been established for over 50 years, and is made up of students and former students of Welsh colleges and universities, and their friends and families.

The Society holds its Dinner and AGM in February, as well as holding three other tours in the Autumn, at Easter, and in the Summer. In addition, members also take part in other events, such as the Master's quarter peal tour, striking competitions, and occasionally, peals.
